Dear Parent/Carer

We hope you are well.

Following our recent communication regarding the social media trend circulating among young people, we would like to provide a further update and offer reassurance to our school community.

We are working in full partnership with the Greenwood Academies Trust, the local authority, our Safer Schools Officer, and the wider police and safeguarding teams. All agencies remain aware of the trend and are maintaining regular communication so that any emerging information can be shared swiftly and appropriately. At this stage, there continues to be no indication of any direct risk to our students or school environment.

Please be assured that we remain highly vigilant within school, and staff are continuing to monitor students' wellbeing and behaviour as part of our usual safeguarding procedures. Our priority is, and always will be, the safety and welfare of every young person in our care.

We understand that this topic has caused concern for some families, and we want to reiterate that our intention is to stay ahead of information, act responsibly, and communicate openly with you. If your child expresses any worries or if you become aware of anything you feel we should know, please do not hesitate to contact us. Working together ensures we can offer students the guidance, reassurance, and support they need.

Thank you once again for your cooperation, calm approach, and partnership. We will continue to keep you informed of any updates as necessary.

Warm regards

Mrs A Joannou
Head of Academy

The Stanground Academy is part of the Greenwood Academies Trust
