Dear Parents and Carers

We are pleased to inform you of an opportunity for students to participate in small group workshops on vaping, which will take place next Wednesday. These sessions will be delivered by Everyone Health and are designed to provide a supportive and informative environment. The workshops aim to equip students with the knowledge and advice needed to help them reduce and ultimately stop vaping. Please be assured that attendance is entirely voluntary, and no student will face any sanction for taking part.

Nationally, approximately 7% of young people report vaping on a daily basis, with around 20% having tried it at least once. In response, we are offering students the opportunity to sign up for these workshops via a link on ClassCharts.

If you would like your child to attend, we kindly ask that you first discuss this with them to ensure they are aware of and willing to participate. Please then use this form: [Vaping workshop - parent sign up – Fill out form](#) to register their place. Where possible, groups will be organised by year group, depending on the number of students enrolled.

Thank you for your continued support.

Yours sincerely

Mrs Walton
Assistant Principal – Personal Development
