Dear Parent/Carer

Enrichment Curriculum Selection – Parent Information

For the remainder of the academic year 7 students will form part of the whole school enrichment programme on Thursday afternoons 2:45pm – 3:45pm. Full details of this programme are outlined below including how to select your child's enrichment activities.

The Enrichment Curriculum plays an important role in supporting students' wider development, helping them build confidence, character and skills beyond the classroom. To ensure students have access to a broad and balanced enriched curriculum, all students are required to make a set number of choices.

Required Enrichment Choices

- **Two** activities from **each** of the three main enrichment pillars (Discover & Connect, Mind & Body, World & Culture)
- **Three** reserve choices from **each** of the three main enrichment pillars (Discover & Connect, Mind & Body, World & Culture), which will be used if an activity is oversubscribed
-

Students will complete their selections online; we strongly encourage you to discuss these choices together to ensure they reflect your child's interests and aspirations.

Please refer to the enrichment booklet included with this email, as well as the information available on our website, for further details about each enrichment activity.

[Stanground Academy - Year 7 -10 Enrichment](#)

Outreach Enrichment (optional)

In addition to the main enrichment pillars, students have the opportunity to select activities from our Outreach Enrichment pillar. These activities all have a cost associated and take place both on and off site. As such, they may extend beyond the 3:45pm published academy day.

- Outreach activities are optional
- These activities involve an additional cost, which will be clearly indicated during the selection process

Choosing an outreach activity does not remove the requirement to select two activities from each of the three main pillars.

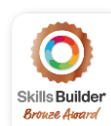

How to Select Enrichment Activity Choices

All enrichment selections must be made online using the link below:

Link: <https://my.edval.education/login>

Each student has been issued a unique login code, which is required to access the system which is in the email attached to this letter.

The Stanground Academy is part of the Greenwood Academies Trust

Deadline for Choices

The deadline for submitting enrichment choices is **Thursday 24th September**.

Students can change or amend their selections at any point up until this deadline. After this date, choices will be finalised to allow for timetabling and organisation of groups and staffing.

While we will always aim to allocate students their preferred activities, this cannot be guaranteed where activities are oversubscribed.

Students who miss the above deadline will be allocated to enrichment activities based on availability.

If you have any questions about the enrichment programme or the selection process, please contact us at:

enrichment@stangroundacademy.org

Thank you for your continued support as we work together to provide a rich and engaging enrichment experience for all students.

Yours sincerely

A handwritten signature in black ink, appearing to read 'T. Needham', written over a horizontal line.

Mr Needham
