Dear Parents/ Carers

I hope you are well.

I am writing to provide a brief update following last week's communication regarding the social-media trend encouraging rivalry between students in different schools. I would like to reassure you that, thanks to the combined vigilance of families, schools and our local police teams, there were no reported incidents, gatherings, or concerns in our area nor across Peterborough during the time this trend suggested activity might take place.

The police were visible across the city, patrolling schools and local parks, and have shared that young people across Peterborough responded responsibly by choosing not to engage with this national online trend. We are proud of how our students conducted themselves and the sensible decisions they made.

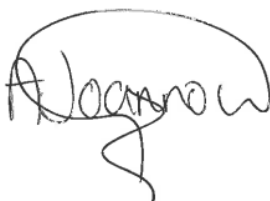

I would like to thank you sincerely for your support, particularly in speaking with your children and helping them navigate the online messages they may have seen. Your partnership makes a genuine difference in keeping our school community safe and informed.

Our Safer Schools Officer and local police colleagues continue to monitor the situation closely. They have also reminded schools of the direct Community Intelligence Portal, which allows anyone to share information directly with the police should concerns arise.

As always, if you have any questions or if your child mentions anything that worries you, please do not hesitate to get in touch. We are here to support the children and our wider school community every step of the way.

Thank you once again for your cooperation and ongoing trust.

Warm regards

Andry Joannou
Head of Academy

The Stanground Academy is part of the Greenwood Academies Trust
