Key Ideas		
<p>Ideas about Creation</p> 	<p>Christian Ideas</p> <ul style="list-style-type: none"> - Christians believe the universe was designed and made by God - The creation story in Genesis 1 says that God made the world in six days - Literalist Christians believe this is true and that God created Adam + Eve from whom all humans come - Liberal Christians say the creation story in the Bible is just a story and may agree with scientific ideas about creation <p><i>“In the beginning God created the heavens and the earth” – Genesis 1:1</i></p>	<p>Scientific Ideas</p> <ul style="list-style-type: none"> - The Big Bang Theory argues that the universe started as a dense collection of mass which massively expanded creating stars, galaxies and planets - The Theory of Evolution comes from Charles Darwin who observed that animals change over time and argued that humans were not designed by God but evolved from apes - These theories do not fit with a literalist Christian’s view but could fit with a liberal view
<p>Stewardship + Dominion</p> 	<p>Stewardship</p> <ul style="list-style-type: none"> - Stewardship means Christians have a duty to look after the environment on behalf of God and for future generations - This can be seen where Christians campaign for environmental charities or choose to reduce waste and recycle <p><i>“Rule over [...] every living creature” - Genesis 1:28</i></p>	<p>Dominion</p> <ul style="list-style-type: none"> - Dominion is the idea that God gave humans power and authority over the world - Some Christians believes this allows them to use natural resources (e.g. oil and coal) and animals to make their lives better - In Genesis God gives Adam and Eve the power to name the animals and rule over them
<p>Abortion</p> 	<ul style="list-style-type: none"> - Abortion is the removal of a foetus from the womb in order to end a pregnancy. - In the UK (except Northern Ireland) it is legal during the first 24 weeks of pregnancy unless the mother’s life is in danger or the foetus is severely deformed. <p><input checked="" type="checkbox"/> The Catholic Church is strongly against abortion. They believe in sanctity of life, the idea that life is a sacred gift from God which only God can take away. They see the foetus as a living thing.</p> <p><input checked="" type="checkbox"/> The Church of England think abortion is sometimes acceptable as a pregnancy as a result of rape or where the child would be very ill would lead to a very poor quality of life</p>	
<p>Euthanasia</p> 	<ul style="list-style-type: none"> - Euthanasia is the painless killing of a patient with a terminal illness. - Voluntary euthanasia is where the patient asks for their life to be ended. - Non-voluntary euthanasia is where the patient is not capable of asking to die, perhaps in a coma. - All forms of euthanasia are currently illegal in the UK. <p><input checked="" type="checkbox"/> The Catholic Church is strongly against euthanasia. They believe that only God can give and take life and that life is sacred (sanctity of life)</p> <p><input checked="" type="checkbox"/> Some liberal Christians think euthanasia can be an act of mercy which Jesus tells them is a good thing to do, this is especially the case when someone’s quality of life is very poor.</p>	
<p>The Afterlife</p> 	<ul style="list-style-type: none"> - Christians believe that when you die you will be judged and that those who are found to be good will go to heaven but those who have sinned and gone against God’s wishes will go to hell. 	

	Roman Catholics believe that there is a middle stage called purgatory where souls go to be purified of sin before they go to heaven	Some Christians believe that Jesus will return on a future Day of Judgement when all souls will be judged
