

July 2021

Dear Parent/ Carer

End of Term Arrangements

As we approach the end of one of the most challenging years in education, we would like to let you know about some exciting plans we have in place to celebrate the achievements of the students this year.

The Academy has arranged a variety of activities to reward the students, and this will take place in year group bubbles. Students will spend the afternoon taking part in inter-form sporting activities whilst also having access to a giant inflatable obstacle course and an inflatable human table football. Students will also be able to access food from a BBQ and an ice cream van will be on site.

The schedule of days and times for the different year groups is listed below:

Thursday 15 July Year 10 reward afternoon

Monday 19 July Year 7 reward afternoon

Tuesday 20 July Year 9 reward afternoon

Wednesday 21 July Year 8 reward afternoon

Students will be attending lessons as normal on these days and then from 1.15pm they will spend the duration of the afternoon on the field taking part and enjoying the refreshments and activities. Please complete the attached [MS Form](#) to confirm whether or not you wish your child to take part in the inflatable activities. The school day will finish at its normal time for each year group and students will then be able to make their way home.

We would also like to take the opportunity to let you know that as we approach the end of the summer term the last day for students this academic year is Thursday 22 July. The Academy will be closing at 12.25pm. Students will therefore be returning home slightly earlier than a normal school day.

Thank you all for your ongoing support this year and we wish you a happy and restful summer break.

Yours faithfully

Mr K Ainslie
Deputy Principal
