Dear Parent/ Carer

## **Welcome message from the Principal**

I am delighted your child will be joining Stanground Academy in September. Please find enclosed some important information regarding our academy.

Our core purpose at Stanground Academy is to provide your child with a world class education that will enable them to flourish in a complex and ever-changing world.

Our academy is a place of high expectations; where pupils and staff share a clear understanding of the vision and values which shape our culture and enable us to succeed together in harmony. We care passionately about every member of our academy community; therefore, it is important to us that your child feels happy and reassured about their transition to Stanground Academy and looks forward to starting with us.

We are holding two transition days this year on Wednesday 5 July 2023 and Thursday 6 July 2023. There will also be an opportunity for you to find out further information and meet your child's form tutor on the evening of Wednesday 5 July 2023, between 4pm-7pm (details will be forwarded separately).

To ensure our placement of pupils into their new classes and tutor groups is effective, staff from Stanground Academy will be working with all our primary schools to ensure key information around pupil progress, SEND information, friendship groups and any further pastoral information is shared with our dedicated transition team.

Our local uniform supplier is Chroma Sports, who are based in Bretton, Peterborough. Working together with Chroma Sports has meant that we have been able to source the best quality uniform at the lowest prices. More information will be available on our website.

All our exciting after school clubs and opportunities, including trips, can be found on our website. In addition, we have a wide variety of support in place at the academy, including a dedicated SEND team, catch-up provisions, Young People's Counselling Service, mentoring specialists and experienced, passionate pastoral teams. These are just some of the resources at our disposal and we will do everything in our power to ensure that your child has the best start to life at Stanground Academy.

The team here are looking forward to meeting you in July. If you do have any further questions, please feel free to contact the admissions team via [admissions@stangroundacademy.org](mailto:admissions@stangroundacademy.org) and we will reply to you as soon as possible.
