Dear Parent/Carer

Re: Transition days

We are delighted your child will be joining Stanground Academy in September and we look forward to working with you and your child over the next five years of their education and development.

We pride ourselves in the support that we give to our students as they make that very important move from primary to secondary schooling. Following the two years of not being able to hold transition days, we are excited to welcome our new students into the Academy for transition visits.

Transition events:

Transition Evening – New date of Tuesday 5 July 2022

We would like to invite parent/carers to meet our Principal, Matthew Van Lier and other Academy staff who will be working closely with your child. There will be two presentations led by the Principal, one at 5.30pm and the other at 6.30pm which will provide you with information about the transition and how we will support your child to be happy, successful and confident.

Transition Days - Wednesday 6 July 2022 and Thursday 7 July 2022

On the above days students will experience a variety of lessons and will have the opportunity to spend time at the Academy to gain an insight of life in their new secondary school. Your child needs to arrive at the Academy Sports Centre at 8.30am where they will be welcomed by Academy staff. Lunch will be provided, and the days will end at 3.00pm.

To book your preferred time slot, please scan the QR code below or click on the link [here](#). We will endeavour to allocate your preferred time, however, due to limited spaces this may not be possible. You will receive confirmation of your allocated time via the email provided on the form.

We understand that the move from primary school to secondary education is both an exciting and daunting prospect for students and their families. We are happy to answer any of your questions about the process and welcome you to contact the Academy if you would like any further information via:
