February 2019

Dear Student

## **Class of 2019 February Half Term School**

I am sure that you are aware that there are now approximately ten teaching weeks remaining prior to the start of the main external examination season.

It is important that you give yourself some time to relax over half term, but with so few weeks remaining, it is equally important that you use your time constructively in areas you know you need to improve. Past experience indicates that working in the Academy with your teachers to guide you will result in far more progress than trying to work alone. We are delighted that a number of your teachers have offered their time during half term to help you.

Details of the sessions available can be found on the page opposite.

Please talk to your teachers to seek their advice regarding what you should attend. Please then complete the booking form on the back of this booklet and return to your year office by Wednesday 13 February 2019.

You are not required to wear uniform for these sessions and you may wish to bring light refreshments with you.

Please sign in at reception as you arrive and then sign out as you leave as it is essential that we know who is on site. You are expected to be in the structured sessions provided; we are not able to facilitate students wishing to come into the Academy to socialise with their peers in unsupervised spaces.

Should anything be unclear, please do ask.

Best wishes

**Mrs Gooding**  
**Deputy Principal**
