Dear Parent/ Carer

We are delighted that we have been chosen to work in close partnership with Stanground Academy to provide school uniform for all children from September 2020. Chroma is Peterborough's number one local supplier of school uniform, supplying over 40 schools, including schools that feed into Stanground Academy and our aim is to provide exceptional customer service and good quality uniform.

In order to help parents with the process of selecting school uniform, we have listed below the ways in which you can view and purchase the school uniform items that you require, these include:

- **In-store** – where you can try on samples for sizing and comfort with your child and take-away your uniform with you on the day.
- **Online Store** – Here you can browse and then select our full delivery service anywhere within the Greater Peterborough area. Please type [www.chromasport.co.uk](http://www.chromasport.co.uk), click schoolwear, then click on Stanground Academy to browse and purchase.
- **Online Click & Collect** – This enables you to browse and select your uniform of choice online but still come to store to try on and ensure that you have ordered correctly.

We are very proud to be working alongside Stanground Academy and to be part of the school community for teachers, parents and students.

Furthermore, to help with the fight against climate change, we can now provide school uniform that is made from recycled plastics, thus ensuring the Academy carbon footprint is reduced and students can contribute to maintaining and restoring the environment.

Yours faithfully
