

9 June 2020

Dear Parents/ Carers

As we are planning for a partial reopening of the Academy to Year 10 & 12, I wanted to inform you of the plans we have made for your child in Year 12. As stated in my previous letter, we have carefully planned a partial reopening to ensure the safety of all staff and students.

In the week beginning the 15 June:

Year 12 will have the opportunity to attend school for a tutorial session for each of their subjects. Students will attend the sessions planned in the timetable shown below. The canteen will NOT be open, so please ensure your child brings a small bag containing only a snack and drink for break-time. Students must not bring anything else in the Academy. All other equipment needed will be provided.

During that day, students will be socially distanced within classes of no more than 10 and will remain in the same classroom and desk during the session. Students will have the opportunity to meet with their teacher/s for half an hour to discuss any concerns/questions they have regarding their on-line learning. Teachers will continue to set work each week on the website and students will still be able to contact their teachers via Teams.

All classrooms used will be cleaned after each session and to avoid movements students will only have one tutorial slot per day.

The school has purchased a good supply of hand sanitiser and cleaning products, but if you are able to purchase any of the small hand bottles that your child could keep for their personal use, it would help.

Please ensure your child travels safely to school and does not congregate with their peers on the way to the Academy. On arrival, students will be directed to their classrooms in a socially distanced manner. Students are not required to wear school uniform but please ensure they wear comfortable clothing.

Please do not hesitate to contact us with any questions or concerns you may have.

Yours faithfully

Mrs L Hedges
Senior Deputy Principal
