March 2018

Dear Student

Year 11 and Sixth Form Easter School 2018

Once you return from your Easter break there will be less than four teaching weeks remaining prior to the start of the main external examination season.

It is important that you give yourself some time to relax over Easter, but with so few weeks remaining, it is equally important that you use your time constructively in areas you know you need to improve. Past experience indicates that working in the Academy with your teachers to guide you will result in far more progress than trying to work alone. We are delighted that a number of your teachers have offered their time during the Easter break.

Details of the sessions available can be found on the page opposite.

Please talk to your teachers to seek their advice regarding what you should attend. Please then complete the booking form on the back of this booklet and return to your year office by Friday 23 March 2018.

You are not required to wear uniform for the Stanground Academy sessions and you may wish to bring light refreshments with you.

Please sign in at reception as you arrive and then sign out as you leave as it is essential that we know who is on site. You are expected to be in the structured sessions provided; we are not able to facilitate students wishing to come into the Academy to socialise with their peers in unsupervised spaces.

Should anything be unclear, please do ask.

Best wishes

Mrs Gooding
Deputy Principal
