

16 December 2020

Dear Parent/ Carer

Post 16 PPEs (Mocks) Tuesday 5 to Friday 22 January 2021

In order to prepare students for their exams this summer, students will sit mock exams in most of their subjects across the three week period. Alongside our internal exams, there are external exams for some subjects, these exams will therefore replace the mock in these subjects.

All lessons, including study time, will be suspended for this time and students are not expected to attend the Academy except for their exams. Once an exam is finished students can go home. Should students wish to remain at the Academy, in order to revise for other exams, there will be a space allocated to them.

Students are expected to arrive for morning exams no later than **8.50am** and for afternoon exams no later than **12.50pm**. A reminder too that students need to come with all the necessary equipment in a clear bag or case and mobile phones and smart watches cannot be taken into the exam space.

All students will be given a PPE examination timetable this week. For your information there is a copy of the examination timetable attached.

Yours faithfully

Ms J Houghton-Wood
Head of Sixth Form
