Revision for the Mocks - where to go...

After school revision
Monday and Thursday

Check Teams for uploaded materials from class teacher

Spark Notes - excellent free resource for all of the literature texts we study

GCSE Pod - lots of 4-5 min podcasts on plot, character, themes

Maths and Physics Tutor - summaries and character studies for all of our texts

GCSE KS4 Bitesize

Oak Academy - lots of lessons that talk pupils through language papers as well as literature

@Y11Stanground
@StangroundAcad

How to Revise

Learn some key quotations for each character for each text

Make notes on each character (what they do and say) and have 8-10 adjectives to describe them

Make a revision poster for key character with adjectives, quotations and what it implies.

Practise writing using the framework provided in class

Quotation, zoom, connotations, reader TFI and writer's intentions.

Vocational Subjects

What has happened as a result of missed time due to the Covid-Lockdown?

Due to the lost curriculum time, we have been able to submit a TAG (teacher assessed grade) for some of the units of work

Students have now 'banked' coursework units. 'Banked' means the work has been sent to the examination board and they have gained a percentage of their final Level 2 course grade 

- Your child has either 'banked' a completed unit(s) or have received a TAG based for some units on their evidence produced from previous units or classwork, collated over the duration of the course so far that is awarded based on the same assessment criteria.
- **This means the students need to ensure that the grade they receive for the final unit reflects their full potential, especially if they have received a TAG grade for previous units. The security of these TAGs will depend on the outcomes of the submitted final unit.**

Does your child study?

% = how much of the course has been 'banked'.

- ▶ Dance (67%)
- ▶ Drama (40%)
- ▶ Music (40%)
- ▶ Health and Social Care (75%)
- ▶ Child Development (50%)
- ▶ Enterprise and Marketing (Business Studies) (75%)
- ▶ Sport Science (75%)
- ▶ Art and Design (67%)
- ▶ Food and Hospitality (40%)
- ▶ Creative iMedia or Interactive Media (ICT) (75%)
- ▶ Media (67%)
