Dear Parent/Carers

Re: Academy Reopening Wednesday 08 November 2023

We are delighted to inform you that the academy will **REOPEN** tomorrow for normal service. Our internet provider has managed to implement a level of service that will enable us to access basic systems required to operate safely.

Once again, we apologise for the inconvenience caused by the closure and will continue to work with our supplier to ensure lessons learnt from this experience are fully embedded into our future resilience plan.

Take care, and we are looking forward to seeing you all tomorrow as normal.

Kind regards

Mr. M Van Lier
Principal
