Dear Parents/Carers

RE: Christmas Present Donations for Our Reward Store

As the festive season approaches, we are excited to enhance our reward store with Christmas presents that students can purchase using their ASPIRE points. This initiative not only encourages students to strive for excellence in their efforts but also allows them to share the spirit of giving by selecting Christmas presents for their friends and family.

To make this possible, we kindly ask for your support through donations of new and pre-loved Christmas presents. These gifts will be available for students to purchase with their ASPIRE points, enabling them to express appreciation for their peers and loved ones during this special time of year.

Suggested items for donation may include:

- Toys or games
- Books or stationery
- Arts and crafts supplies
- Clothing or accessories
- Toiletries,
- Biscuits,
- Chocolates/sweets
- Any other items suitable for students

Students can bring in their donations and give them to their form tutor. We will be collecting donations from now until the start of December. We appreciate any contribution, big or small, as each gift will help our students engage in the rewarding experience of giving.

If you have any questions about the donation process or would like further information about the reward store, please feel free to contact Mr. Needham.

Thank you for your continued support, and we wish you and your family a joyful and festive holiday season!

Yours sincerely

**Mr. Needham**  
Assistant Principal Enrichment & Rewards
