Careers Guidance

Careers Guidance Appointment – What is it?

A 30 minute one to one meeting with a professionally qualified Careers Advisor to help you feel confident about the choices and decisions you are facing on your journey to finding a positive career.

How do you prepare for you appointment? - Please watch the video linked below.

<https://www.youtube.com/watch?v=ONKDYTVJrcY>

Careers appointments will take place every Thursday in the library with Liz Duckworth.

The day before you will be given a slip detailing the appointment time, as well as a reminder of the location. You must show this to your teacher in order to leave your lesson to attend.

You will also be given a guidance sheet to help you plan for the session. It may be helpful for you to discuss this at home with parents/carers before your appointment.

What happens now?

Following your appointment, you will have a summary of what was discussed placed onto your unifrog account, you can access this anytime. We encourage you to share the summary with parents/carers.

For any further advice or help pop to Your Future Zone to see Mrs Charles.

What happens after?
