

STANGROUND ACADEMY

Stanground Academy Home/Academy Agreement

Our vision is to provide a world-class education that will challenge, inspire, and enable every student to flourish beyond their expectations and we acknowledge the importance of a close relationship between the academy staff, parents and carers to see this vision fulfilled. We believe that young people are able to flourish when rules about behaviour and respect are consistently applied, and we endeavour to ensure that this happens in every aspect of academy life.

Students and their parents are requested to sign a Home/Academy agreement which clarifies the ways in which we expect all our students to conduct themselves whilst they are a member of our academy community. Students and their parents are expected to adhere to the expectations laid out within this agreement, resulting in a calm and respectful learning environment in which all students feel safe and included. This agreement aligns with our Academy 'ASPIRE' Values which are:

- **Ambition:** Desire and determination to achieve success
- **Social Responsibility:** Commitment to the development of the community and world in which we live
- **Progress:** Journey of improvement
- **Inclusion & Equality:** Embracing difference so everyone can flourish
- **Respect & Kindness:** Being warm hearted and considerate of others
- **Excellence:** Strive to be outstanding at everything we do

As an academy we will:

- provide a safe, secure and inclusive learning environment for every student
- encourage students to be ambitious in their approach to learning and aspire to excellence in all areas of their lives
- achieve high standards of work and behaviour through the building of positive relationships and the consistent application of clear sanctions and rewards
- provide challenging classroom and home learning opportunities for all students which endeavour to meet individual needs
- provide feedback to encourage student engagement and promote academic progress
- encourage students to be socially responsible individuals, committed to the development of the community and world in which they live
- provide an environment which celebrates inclusion and equality, encouraging students to be respectful and kind in their approach to all
- inform parents and carers of student progress and any areas of concern with classwork and/or behaviour
- listen to the views of parents, carers and pupils and respond to any concerns in a timely manner
- encourage the involvement of parents/carers and the community with our work
