

STANGROUND ACADEMY FUTURES LEARNING JOURNEY

To deepen understanding of different career sectors, LMI and develop employability skills. Begin linking school subjects to potential career paths.

To gain insight into the world of work through experiences and to develop key employability skills. To understand the opportunities available at Post 16/Post 18.

Students explore and evaluate their post 18 options and develop a deeper understanding of their progression and career preferences while building a strong personal profile.

7

unifrog

Introduce the idea of a careers education and ensure that all students understand their own skills, characteristics and goals

8

To deepen understanding of different career sectors, LMI and develop employability skills. Begin linking school subjects to potential career paths.

To gain insight into the world of work through experiences and to develop key employability skills. To understand the opportunities available at Post 16/Post 18.

Students explore and evaluate their post 18 options and develop a deeper understanding of their progression and career preferences while building a strong personal profile.

9

To equip students with information to prepare them to make informed decisions about their GCSE options. Ensure all students have an awareness of how their choices link to potential career pathways.

10

MMFLOWERS

11

To actively explore and evaluate post-16 pathways. Students will begin preparing high-quality applications and practicing interview techniques to ensure they are confident and well-informed about their next steps

12

13

To confidently transition into chosen post-18 pathway with a clear plan, strong applications, and readiness for adult working life.
